Home School Agreement

We aim to create a culture of learning where children are respectful, resilient and creative, and can communicate well with others.

At the East Somerset Federation, we aspire to be a kind and caring community of lifelong learners – eager to achieve the best for ourselves and others.

This can be done most effectively when parents, staff and children understand their responsibilities and work together towards the same goals, as detailed in our Home/School Agreement.

- Approach the teachers and other staff, parents and pupils in a respectful manner,
- Attend parents' evenings and discussions about my child's progress,
