

Here are instructions on how to use Google Classroom to access homework for Hawk Class. We intend to use Google Classroom for homework and to set work in the event that there is any future 'lockdown' situation or a need for our bubble to isolate. I am aware that there will be some teething problems with logging on and submitting homework so I will be very lenient with the homework deadlines as we get used to using it. The children have been shown how to logon during a lesson at school but I am sure there will still be questions. Please see this as a trial initially. I can be emailed on hawk@eastsomersetfederation.co.uk during office hours if you have any questions. Good Luck!

Miss Carver.

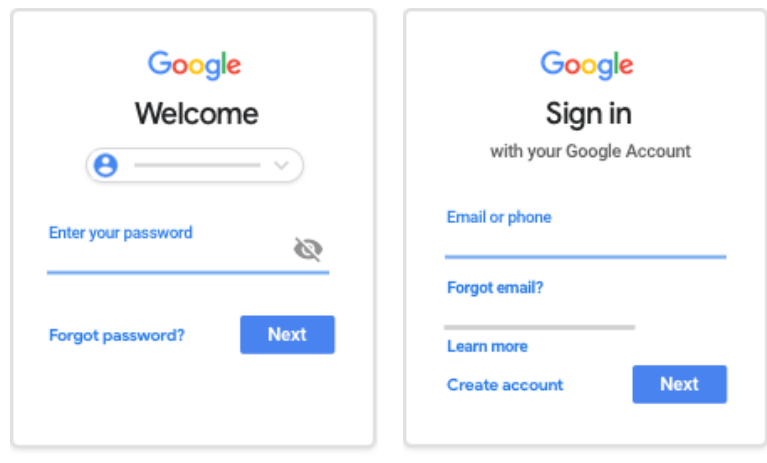

Instructions for using Google Classroom on a computer.

How to access your homework on Google Classroom:

1) Go to classroom.google.com and click Go to Classroom.

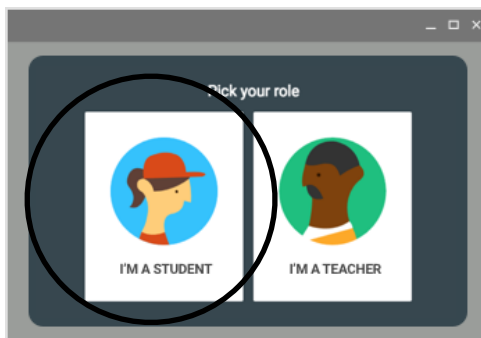

2) Enter the email address for your Classroom account and click Next. Then enter your password and click 'Next' again.

Your email and password is here:

3) If there is a welcome message, review it and click Accept.

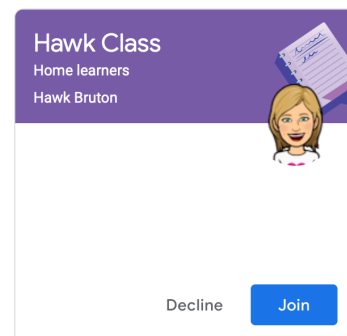

4) If you're using a G Suite for Education account, click I'm A Student. Note: Users with personal Google Accounts won't see this option.

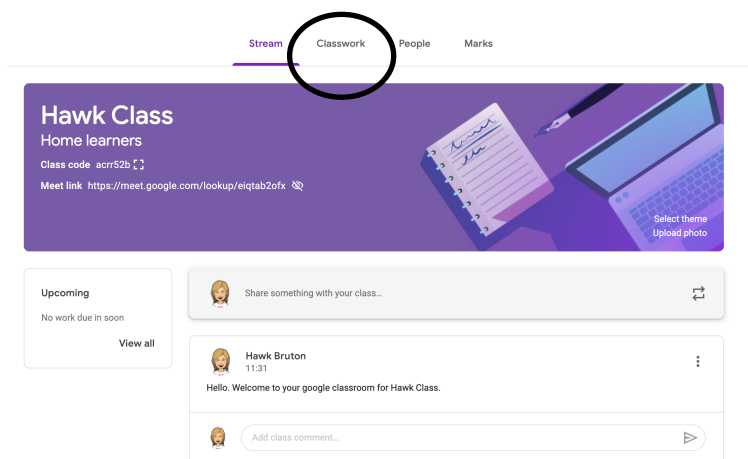

5) Your screen should look like this. You then need to click 'Join' to join the Hawk classroom.

Google Classroom

6) Click on 'Classwork'. This is where you will find your assignments.

7) To open an assignment just click on it and 'View Assignment'. This will then show you the teacher's instructions and all of the documents or websites links that you need to look at in order to complete your assignment. When you type into any document, it saves automatically so there is no need to click 'save'.

8) When you have finished, click 'hand in' to send it to me.

9) There is a space to put 'personal comments' if you want to tell me something about the work.

If you are using **Google Classroom on an iPad or iPhone**, follow the instructions on this link: <https://support.google.com/edu/classroom/answer/6072460?co=GENIE.Platform%3DiOS&hl=en&oco=1>

You will also find instructions on how to use **Google Classroom on an android device** here: <https://support.google.com/edu/classroom/answer/6072460?co=GENIE.Platform%3DAndroid&hl=en&oco=1>

Theses instructions will also be put onto the Hawk Class webpage on the Bruton Primary School website.
