

Year 3 and 4 Quest Homework
Falcon, Goldfinch and Hawk - Autumn Term 2

Our topic this half term is all about the Stone, Bronze and Iron Age. We are going to tour through the different ages of our history and learn about the lives of the people who lived in them. We will be comparing life between the Ages and hopefully decide which era we would have liked to experience most.

Throughout this topic, we would love to see some of the wonderful things that you can produce at home. Below, you will find a list of example activities that you may wish to complete and then bring into school, or send to your class email in order to share with everyone. The deadline is **Monday 10th December**, ready for our Quest Showcase.

Please let us know if you have problems resourcing any of these projects as we may have something at school that you can use (this term I sent home paint with several children who did not have any).

Enjoy, and we look forward to seeing what you produce.

Make an ancient Stone Circle In your own way, use a range of resources to help you create your own version and replica of StoneHenge.	
Create a Stone Age/Bronze Age/Iron Age Shelter Gather and collect natural materials in order to build a shelter to fit a small toy in order to keep them warm and dry.	
Become a fashion designer Research the items of clothing that people would have worn throughout the Stone, Bronze and Iron Age. Design your own clothes based on what you find out and make an item of clothing ready to model for us !	
Create a comic book strip Write and draw your own comic book strip to represent hunting or gathering in Stone Age times, or to show how times have evolved.
