

English

We will be learning about narratives and how to hook a reader in to our story as well as:

- describing settings
- creating a mood through personification, similes and metaphors.
- describing characters
- using apostrophes correctly

We will also be creating a non-chronological report about rivers using subheadings, bullet points, facts and conjunctions to extend sentences.

French

During this term we will be learning how to describe the weather as well as explain where I live. We will also recap some of our learning this year.

Trips and Visits

23rd July: Visit and workshop with Wessex Water.

Maths

In Year Three, we will continue our learning of:

- Money
- Time
- Shape
- Statistics
- 2, 3, 4, 5, 8, 10 times tables.

In Year 4, we will:

- MTC preparation up to 12×12
- Money
- Time
- Shape
- Statistics
- Position and direction

Year Three and Four Journey of a Raindrop

Design and Technology

This term we will further develop our skills to design, make and evaluate with links to the uses of pulleys and levers.

Religious Education

What do Christians believe about Agape?

We will be learning about Christian's belief in agape (unconditional love) through parables..

Quest

We will be learning about the different states of matter leading in to learning about the stages of the water cycle including how clouds are formed. We will be learning about the features of rivers and the journey from the source to the mouth. We will complete a river study as well as looking at the impact of flooding and pollution.

Physical Education

We will be taking part in athletics sessions in preparation for sports day focussing on running, jumping and throwing skills.

During our swimming sessions, we will be increasing our water confidence as well as building our stamina with different strokes.

Personal, Social and Emotional Development

The topics we will be learning this term in PSHE are:

- Embrace the movement teaches Year 4 children mindfulness, emotional awareness, and coping skills to support their wellbeing.
- RSE lessons

Year Three and Four

Journey Of a Raindrop

Art and Design. We will focus on Claude Monet and other famous artists, such as Helen Lavinia. Throughout the term, we will review as well as recreate their amazing work by developing different water colour painting techniques and pattern making skills in order to create guided, independent and group art pieces

Music

We will be studying how music connects us with our environment. We will have opportunities to further develop our skills of listening, singing, playing, composing and performing.

Computing

We will be consolidating, and further developing, previous learning on coding using scratch. The main focus will be on repetition via loops and applying this through a games situation.
