

♪ Make Music ♥

Violin, Viola, Cello and Recorder Lessons

Hi - I'm Seona, I've been teaching music for over thirty years! I'm a performer, composer and instrumental teacher. I love making music and I work with people of all ages and abilities.

I offer small group lessons for pupils in KS2. I aim to teach ten weeks per term payable monthly by standing order (£23.75 per month or £28.75 with instrument hire included).

Instruments are available to hire. If you're planning to buy a violin or cello please get in touch beforehand, it's important to get the correct size.

The monthly fee includes membership of Bruton Orchestra after-school club (Thursdays 3.30 - 4.30pm).

Learning a musical instrument teaches resilience, determination and is great fun.
Practice at home is an essential part of the process.

If you would like your child to start violin, viola, cello or recorder lessons please get in touch.
