Relationship and Sex Education (RSE) Working Group – Thursday 18th June at 9.30am (this session will replace the Parent Forum)

We are legally required to consult parents/carers when developing or reviewing our Relationship and Sex Education (RSE) policy. This ensures that policies reflect the community's needs, allowing parents to input, ask questions, and review curriculum materials. As such, we are looking for parent volunteers to join a working group.

The group sessions will take place during the school day, will last approximately two hours, and we anticipate two to three sessions during the summer term. Please email the school office if you would like to be part of the group.

We have children with nut & sesame allergies. Please ensure that there are no whole nuts, sesame seeded bread or crackers, cereal bars, hummus, hazelnut spread or items including nuts in your child's lunch/snack box.
