

19th June 2026

Dear Parents and Carers

It has been lovely to welcome the children back and see them return with so much energy and enthusiasm.

This year has been full of achievements, and our pupils continue to impress us with their commitment, resilience and positive attitude. We are especially proud of our Year 6 children, who recently completed their SATs. Reaching the end of this important milestone is about much more than finishing a set of tests - it reflects the hard work, determination and perseverance they have shown throughout their time at primary school.

Our Key Stage 1 children have also worked incredibly hard during their Phonics Screening Checks, while our Year 4 pupils have tackled their Multiplication Tables Checks with great focus and effort. We are very proud of them all.

One of the highlights of the term has been welcoming families into school to share in the children's learning. Our Reception classes, along with Ibis and Kingfisher classes, enjoyed wonderful family learning afternoons. Thank you to everyone who was able to join us – it was fantastic to see so many parents and carers learning alongside the children and celebrating their achievements together.

At last, the weather seems to be improving, and we are keeping our fingers crossed for plenty of sunshine so that we can make the most of our swimming pool during the remainder of the summer term.

Meanwhile, our Year 6 children have been busy rehearsing for their production of 'School Daze', which they will perform at King's School on Monday. They have put so much effort into preparing for the show, and we cannot wait to see them showcase their talents. We wish them every success and hope they thoroughly enjoy the experience.

As always, thank you for your continued support. We are looking forward to making the most of this final half term together, celebrating all that the children have achieved this year and enjoying the exciting events still to come.

Have a lovely weekend.

Mrs Bisset and Miss Giles
Executive Head & Head of School

Safeguarding

If you have any concerns about a child the Designated Safeguarding Lead for BPS is Mrs Rachael Bisset.

To report a child at risk please contact Children's Social Care – 0300 123 2224

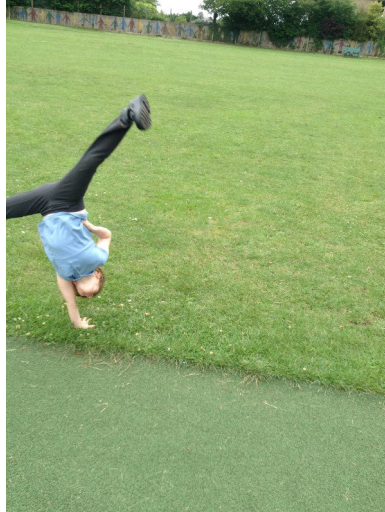

Or contact them via children@somerset.gov.uk

WHOLE SCHOOL

NSPCC School Miles Day

Following the NSPCC assemblies and workshops last term, all classes took part in the 'School Miles Day' to help raise awareness of the NSPCC's important work. Children walked, ran, skipped and even cartwheeled their way around the mile with their classmates as part of this fun fundraising event. We managed to raise £93.17. Thank you to everyone who donated and to our wonderful children for taking part with such enthusiasm.

SPORTING EVENTS

KS2 Top Link Festival at King Arthur's School

Thirty children from KS2 were invited to King Arthur's this week to take part in a Top Link Festival. The children performed brilliantly and, out of the seven schools that attended, achieved some fantastic results:

- 1st Place** – Year 5/6 Athletics
- 2nd Place** – Year 3/4 Athletics
- 2nd Place** – Year 5/6 Rounders
- 2nd Place** – Year 3/4 Rounders

A huge well done to all the children who represented the school so positively and demonstrated excellent teamwork, determination, and sportsmanship throughout the day. We are very proud of you all!

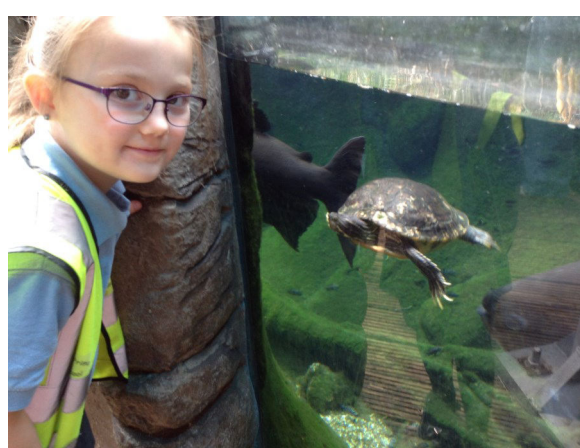

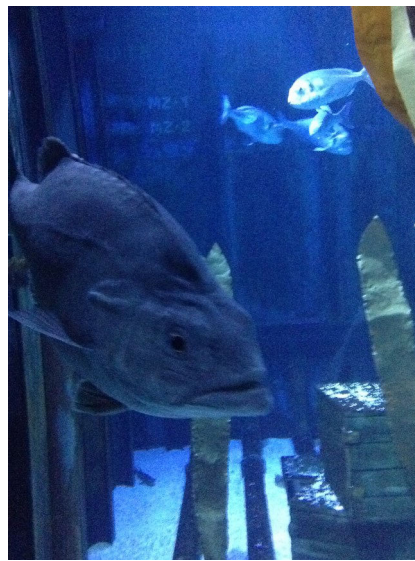

EYFS & KEY STAGE ONE

Auklet & Barn Owl Trip to Bristol Aquarium

Auklet and Barn Owl classes had a brilliant day out at Bristol Aquarium during the first week of term. The children loved exploring the different exhibits and getting up close to a huge variety of sea creatures, from colourful tropical fish to sharks and rays.

There was lots of excitement as the children spotted their favourite animals and shared interesting facts they had learned. The visit gave everyone the chance to learn more about life under the sea and the importance of looking after our oceans. We are very proud of how they represented the school and hope they enjoyed the experience as much as the staff did!

KEY STAGE TWO

Garden School Visit to The Newt

Some of our KS2 children enjoyed a fantastic trip to The Newt for a Gardening day. One of the highlights of the day was watching a tree surgeon expertly climb a tree and demonstrate how they work safely at height. They also showed them how they saw up logs, which everyone thoroughly enjoyed.

The group then got hands-on with some planting, potting up a selection of plants in large containers that have been delivered to the school by The Newt earlier in the week. The finished pots look wonderful and now sit proudly on our veranda for everyone to enjoy.

Afterwards, they spent some time exploring the beautiful grounds and gardens at The Newt, taking in the inspiring planting schemes and enjoying a lovely day outdoors.

A big thank you to The Newt for a wonderful day.
