Allergies in School

We have children with nut & sesame allergies. Please ensure that there are no whole nuts, sesame seeded bread or crackers, cereal bars, hummus, hazelnut spread or items including nuts in your child's lunch/snack box.

SUMMER READING CHALLENGE AT BRUTON LIBRARY

If your child completed the library's summer reading challenge over the holiday, please drop into the library to let them know, in order that they can arrange the certificates and badges!

SCHOOL WEBSITE

Our school website has recently migrated to a different provider, and due to some technical issues, information such as the class pages has reverted to information from the last academic year. We are in the process of updating all areas, and we ask for your patience while we do this. In the mean- time should you have any queries regarding information that hasn't yet been updated, please email either the class teacher using their class email or the school office. Thank you.

SCHOOL SITE ARRANGEMENTS

Morning Drop off

Whilst we welcome parents into the quad at afternoon pick up, **we ask that parents drop their children off at the gates in the morning and do not come into the quad.** We appreciate that, particularly our new reception parents like to walk their children up to the class, however, saying goodbye at the school gate allows for a smoother morning transition. Thank you for your understanding.

Phones and Photography

We have also observed some parents recording their children going into school. Whilst we appreciate that parents may wish to capture this moment, it is a very busy time of day and difficult to video/photograph just your own child and not other children, whose parents may not want their child's image to be recorded. Therefore, we would ask parents to refrain from this practice. Thank you.

Dogs in the school car park

We have noticed that at drop off and pick up some parents are bringing dogs into the school car park. Please be aware that the school is a dog free zone, **and this includes the staff car park.**

If you are bringing a dog to pick up, please ensure that you remain on Higher Backway and do not enter the car park. Thank you for your understanding.

SWIMMING POOL

The swimming pool is open and some classes may swim over the next few weeks whilst the good weather remains. Should your class be planning to swim, teacher's will let you know via the class emails.

Should your child be swimming, please ensure your child has a one piece costume (no bikinis allowed), a towel, flip flops or crocs to wear up to the pool.

Allergies in School

We have children with nut & sesame allergies. Please ensure that there are no whole nuts, sesame seeded bread or crackers, cereal bars, hummus, hazelnut spread or items including nuts in your child's lunch/snack box.

We have children with nut & sesame allergies. Please ensure that there are no whole nuts, sesame seeded bread or crackers, cereal bars, hummus, hazelnut spread or items including nuts in your child's lunch/snack box.

Applying for secondary school

If your child is in Year 6, you will need to apply for a place at secondary school in the coming weeks. Secondary schools will be holding open evening and days over the coming weeks.

All applications for secondary school places need to be made through Somerset County Council. The portal opens on 14th September and applications need to be submitted by 31st October 2026. Visit the link below for further information.
