The BruBowl Bruton's New Skatepark

What is The BruBowl?

The BruBowl is an exciting new skatepark being built in Bruton. The multi-wheeled sports facility will accommodate skateboards, bikes, scooters, blades, skates and adapted wheelchairs.

We have planning permission and Maverick Skateparks are lined up to build the park which will replace the current Jubilee Park ramp. It will feature an interconnected street area, ramps, rails and a bowl section. It will be an inclusive destination, celebrating all ages, styles and abilities.

Why do we need it?

Currently there is a gap in our community for a safe, accessible outdoor space, catering for the growing number of young people.

The BruBowl will get people outside expending energy and socialising. A proven pillar in any community, a new destination in Bruton for all ages and backgrounds - for many generations to come. No one can outgrow a skatepark.

How can you get involved?

We need your help.

From fundraising to helping hands at events. This has been a huge community effort so far and we're giving it a big final push to hit the target.

We have planning permission and Maverick Skateparks our specialist skatepark contractor ready to go, we just need to secure the funds.

The park, or a scaled back version, will start construction in June 2027 so we're giving it everything to achieve the tender concept design. We're confident we can do it, but we need as much help as possible.

If you'd like to get involved, have a skill, idea or something you can offer, we'd love to hear from you!
