Have your say on childcare for primary-aged children in Somerset

Somerset Council would like to hear from parents and carers about their use of before-school, after-school and holiday childcare.

Whether you currently use childcare or not, we would like to hear your views. Your feedback will help Somerset Council understand what is working well, what challenges families face, and where childcare may be needed in the future.

The survey takes just a few minutes to complete.

Complete the survey here: [Parent Carer School-age Childcare in Somerset Survey, Autumn 2026 - Somerset Council - Citizen Space](#)
